

Can't Let You Go

Rainbow

Day after day I'm waking up
To find that you're slippin' away
Night after night
I can't fight the emptiness inside There's nothin' I can say
Now I know you're turning me away
It's only you know disguise but you don't have to hide
The truth is in your eyes tonight I don't wanna live a lie
But I don't wanna say, "Goodbye"
And I can't let you go, even though it's over
I just can't let you go
I know your love is growing colder One look in my eyes and you'll realize
You got my heart in your hands
Won't you let me know somethin' more
Where did we go wrong, girl? I don't wanna fight
All I wanna do is try and understand, yeah
I'm reaching out for you, babe, what can I do?
I've been holding on so long I don't wanna live a lie
But I don't wanna say, "Goodbye"
I can't let you go, even though it's over
I just can't let you go
I know your love is growing colder
And I can't let you go, even though it's over I don't wanna live a lie
But I don't wanna say, "Goodbye"
I want you by my side
And I can't let you go, even though it's over
I just can't let you go
I feel your love growing colder And I can't let you go, even though it's over
I just can't let you go
Feel your love is growing colder Don't go
Though I know it's over
I just can't let you go
