

Ms. 45

She's got a gun
Just make her day
Don't fuck with her
She'll blow you away She walks the streets at night
And they think she is a whore
She's gotta deal with you
She's gonna even out the score Ms. 45
Ms. 45 They don't let you
She's gonna make them pay

And they think she is a whore

She's gonna even out the score Ms. 45
