

Marian

The Sisters of Mercy

In a sea of faces, in a sea of doubt
In this cruel place your voice above the maelstrom
In the wake of this ship of fools I'm falling further down
If you can see me, Marian, reach out and take me home.....

[Chorus]

I hear you calling Marian
Across the water, across the wave
I hear you calling Marian
Can you hear me calling you to
Save me, save me, save me from the
Grave...
Marian
Marian, there's a weight above me

And the pressure is all too strong
To breathe deep
Breathe long and hard
To take the water down and go to sleep

To sink still further
Beneath the fatal wave
Marian I think I'm drowning
This sea is killing me

[Chorus]

Was ich kann und was ich konnte (What I can do and what I could do)
Weiss ich gar nicht mehr (I just don't know anymore)
Gib mir wieder etwas schönes (Give me something beautiful again)
Zieh mich aus dem meer (Drag me from the sea)
Ich whore dich rufen Marian (I hear you calling Marian)
Kannst du mich schreien hören (Can you hear me calling?)
Ich bin hier allein (I am here alone)
Ich whore dich rufen Marian (I hear you calling Marian)
Ohne deine Hilfe verliere ich mich in diesem Ort
(Without your help I am lost in this place)

[Chorus]

Marian [Repeat until fade]
