

All I Need

The Temptations

This heart of mine carries a heavy load
When I think about how I've hurt you so.
After you been, been so good to me,
I've been unfaithful.
Darling, I've case you misery.
A feeling of guilt, oh it tortures me;
And only you darling can set me free.

And darling; All, All I Need is just to hear you say you forgive me,
Forgive me baby.
All, All I Need is to have you touch my hand,
Say you understand.
A moment of weakness darling, caused me to stray.

When I look, look into your eyes,
I can see the hurt baby that I feel inside.
Although I've hurt you, you never once complain,
It makes me feel sweet darling, that much more ashamed.
Tears of guilt, tears of guilt running down my face,
Tears only you, only you can erase.

And darling; All, All I Need is just to hear you say you forgive me,
Forgive me baby.
All, All I Need is to have you touch my hand,
Say you understand.
A moment of weakness darling, caused me to stray.

I know I made a big mistake
When all your love darling, yes, I did forsake.
It's on my mind, it's in my heart,
This guilty feeling tearing me apart.
With ev'ry step I make, with ev'ry breath I take,
I'll make it up to you, I'll make it up to you.

Undo the wrong I've done, undo the wrong I've done
I've been unfaithful I know it's true, but I'll make it up to you baby.
All, All I Need is just to hear you say you forgive me, forgive me baby.
All, All I Need is to have you touch my hand,
Say you understand.
A moment of weakness darling, caused me to stray.
