

Salvation Jane (Outtake)

INXS

One chain to the mountain
Two feet in the chain
Three fires approaching
Four hours awaySol invictus, invincible sun
The night is almost comeFive times the assassin
Six species destroyed
Seven valleys are numbered
Eight years till they're goneJust when I thought I'd die on this rock
I see a face I knowSalvation Jane
Wild wild flower of love
Salvation Jane
You've got the power to change
You're such an easy preyNine times the protector
Ten years and a day
Eleventh hour we're facing
Twelve O'clock in the sunMother nature, we're trying to kill you
Such greedy foolsSalvation Jane
Wild wild flower of love
Salvation Jane
Wild wild flower of love
You've got the power to change
You're such an easy preySalvation Jane
Wild wild flower of love
Salvation Jane
You've got the power to change
You're such an easy preyThirteen grand designs
Fourteen, walking the wire
Fifteen, you're lonely
Sixteen, long way thereSeventeen is a whisper
Eighteen is a whirl
Nineteen is a mother
It's twenty minutes agoSalvation Jane
Wild wild flower of love
Salvation Jane
Wild wild flower of loveSalvation Jane
You've got the power of love
Salvation Jane
You've got the power to change
You're such an easy preySalvation
