my momma always talkin' bout " look what you put me through"
push a niggas facials in when i be pushin through
bleed the stoop
im just trynna cop the cades coupe
if you dont want these flesh wounds then i advice you play it smoove
it aint gucci or gabana unless i say its coo
its recreation to a goon when we make a move yeah
aint no hesitation
all my shootas yankin
heavy metal mechanism
oiled down and lubricated
ima take you ona jurney if you trust worthy

i gotta yeeky for the low
that muthafucka dirty
keep a couple hand torches in a jansport imfrom pebble beach
thats a historic landmark
and we the realest out the region aint no sense in lyin
if you gone go to jail and tale aint no sence in slidin
the murder rate climbing
we promoting violence
back doe em with a curve ball nigga no leirion
type to get it out the mud
uzzy bleed the canvas
with the same ones from day 1
no room for expansion
my life damaged
i managed to overcome it all
GSR(gunshot residue) on my paws

could of got a diploma
but i fucked it off
public defender geekin
he be truckin off
you interactin with the law
we dont fuck with yall
when it be time to slide im to the neck i dont come to yall
Dick and balls on the blamma toy is manditory
the consequences of this shit come with the territory
