Between Now And Forever

Bryan White

I can't believe that I've found you
Fate did a number on me
If you end up with my arms around you
It's meant to beWell, maybe my crazy is showing
But maybe I'm hooked on your touch
But wherever my life is going
There ain't no rush
'CauseWherever you're going
I'd like to go too
If you don't have anything
Better to do
I'd love to spend
Some more time together
So what are you doing
Between now and foreverI'll take the blue with the gray days
I just pray the road will be long
'Cause if I'm beside you there's no way
I can go wrongWherever you're going
I'd like to go too
If you don't have anything
Better to do
I'd love to spend
Some more time together
So what are you doing
Between now and foreverI'd love to spend some more time together
So what are you doing
Between now and foreverWhat are you doing
Between now and forever
