

The Dream (feat. Moya Brennan)

Secret Garden & Moya Brennan

We sailed out in the morning
As the winter turns to spring
Undestined and unknowing
Of what tomorrow brings
Towards the blue horizon
Leaving all we have behind
Our yearning hearts will guide us to find
A dream we carry with us
And the hopes that we hold
As we rise from the ash into gold
We reach for the impossible
As unreal it may seem
Still we sail 'cross the ocean
And follow the dream
The moon and stars above us
Will lead us to the shore
My heart will be my compass
And you will be my north
We forecast stormy weather
And pro-and-con our moves
But what have we achieved ...
A dream we carry with us
And the hopes that we hold
As we rise from the ash into gold
We reach for the impossible
As unreal it may seem
We will sail 'cross the ocean
And capture the dream
One day arriving
Behind the far blue
Where you'll find me waiting
And I will find you too
A dream we carry with us
And the hopes that we hold
As we rise from the ash into gold
We reach for the impossible
As unreal it may seem
We will sail 'cross the ocean
And become the dream
