

Dip It Low

Christina Milian

Says he wants you
He says he needs you
It's real talking when I make him wait for you
If he really wants you
If he really needs you
Really got to have you
Take your time and feel him out
When it's a good boy
I mean a really good boy
Why not let him lay with you
That's when you give it to him good

[Chorus:]

Dip it low
Pick it up slow
Roll it all around
Poke it out like your back broke
Pop pop pop that thing
I am show you how to make your man say "Ooo"
Dip it low
Pick it up slow
Roll it all around
Poke it out like your back broke
Pop pop pop that thing
I am show you how to make your man say "Ooo"

You getting bold
He Growin' cold
It's just the symptoms of young love
Growin' old
You think it's time
And your thinking of leaving
But give it time
It's late at night
He's coming home
Meet him at the door with nothin' on
Take him by the hair
Let him know what's on

If you understand me

Yall come on

All my ladies wine it up

If you know just how to move (moove)

All my fellas jump behind

And show her what you want to do (show her what you got daddy)

All my ladies wine it up

If you know just how to move

All my fellas jump behind

And show her what you want to do (ouuh..wouh ouh)

Dip it low

Pick it up slow (ohhh)

Roll it all around

Poke it out like your back broke

Pop pop pop that thing

I am show you how to make your man say "Ooo" (ima show you how to make him)

Dip it low (ouhhh)

Pick it up slow

Roll it all around

Poke it out like your back broke

Pop pop pop that thing

I am show you how to make your man say "Ooo"

We can move if you wanna

We can move if you wanna

We can moove if you wanna

We can moooooove...

chorus:

Dip it low

Pick it up slow (slowww)

Roll it all around (ohhhh)

Poke it out like your back broke

Pop pop pop that thing (yeah)

I am show you how to make your man say "Ooo"

Dip it low

Pick it up slow

Roll it all around

Poke it out like your back broke (come on come on come on)

Pop pop pop that thing

I am show you how to make your man say "Ooo" (ooooh)

Dip it low

Pick it up slow
Roll it all around
Poke it out like your back broke
Pop pop pop that thing
I am show you how to make your man say "Ooo"
Dip it low
Pick it up slow
Roll it all around
Poke it out like your back broke
Pop pop pop that thing
I am show you how to make your man say "Ooo"
