

# Nag

## Joan Jett And The Blackhearts

Woe, baby you're a nag  
(Nag, nag naggity nag)  
You're a nag  
(Nag, nag naggity nag) You're a nag  
(Nag, nag naggity nag)  
You're a nag  
(Nag, nag naggity nag) Would you go do this  
And go do that, nag  
(Nag, nag naggity nag) (Nag)  
You're always tellin' me what to do  
(Nag)  
I just can't seem to get rid of you  
(You're a nag)  
You order me around just like a slave (Nag)  
You're gonna send me to an early grave  
Would you go fix the bacon and don't burn the toast  
Run down to the butcher shop  
And buy me a roast (Nag)  
The way you're naggin' never gonna stop  
(Nag)  
You always seem to be a blowin' your top  
(You're a nag)  
One of these days I'm gonna lose my mind (Nag)  
Jump out a window and I'll be real fine  
Would you go do this, go do that  
Wash up all the dishes  
And don't you talk back When I met you you were oh so sweet  
Now you give me the bread and you take all the meat  
You're always screamin' and hollerin' loud  
I'm gonna buy me a ticket to the nearest cloud You're a nag  
(Nag, nag naggity nag)  
You're a nag  
(Nag, nag naggity nag) You're a nag  
(Nag, nag naggity nag)  
You're a nag  
(Nag, nag naggity nag) Would you go do this  
And go do that, nag  
(Nag, nag naggity nag)  
Hey you, get out of here When I met you, you were oh so sweet

Now you give me the bread and you take all the meat  
You're always screamin' and hollerin' loud  
I'm gonna buy me a ticket to the nearest cloud You're a nag  
(Nag, nag naggity nag)  
You're a nag  
(Nag, nag naggity nag) You're a nag  
(Nag, nag naggity nag)  
You're a nag  
(Nag, nag naggity nag) Would you go do this  
And go do that, nag  
(Nag, nag naggity nag)  
I hate you, get out of here
