

# M.E.

## Gary Numan

And M.E. I eat dust  
Were all so run down  
Id call it my death but Ill only fade away  
And I hate to fade alone  
Now theres only M.E.We were so sure  
We were so wrong  
Now it's over, but theres no one left to see  
And theres no one left to die  
Theres only M.E.Why should I care?  
Why should I try?  
Oh no, oh no, I turned off the pain  
Like I turned off you all  
Now theres only M.E.
