Parade

Jackie Boyz

Our love is like a sunny day
Or like a perfect song
We were almost there
Marching strong
While all these eyes
Are watching us
I'm scared inside
Cause the storm is surely coming
I can't wait to tell you I don't love you
It's been this way for quite some time
I know this is the wrong place but I
Have to tell you what's on my mindI rained on your parade
Yeah took the smile off your face
With all the things I said, I said
We were moving forward
But now it's over
Tell me why it had to change
And girl it hurts to say it
Cause we're so close
But I just don't love you the same
OhhNow everybody's looking at me
Telling me what a fool I am
Well baby I can't live a lie
I can't keep playing along with the band
I wish it hurt to tell you I don't love you
It's been this way for quite some time
I know this is the wrong place but I
Got to tell you what is on my mindI rained on your parade
Took the smile off your face
With all the things I said, I said
We were moving forward
But now it's over
Tell me why it had to change
And girl it hurts to say this
Cause we're so close
But I just don't love you the same
OhhI can't wait to tell you I don't love youIt's been this way for quite some time
I know this is the wrong place but I
Have to rain on your paradeI rained on your parade

Took the smile off your face
With all the things I said, I said
We were moving forward
But now it's over
Tell me why it had to change
And girl it hurts to say this
Cause we're so close
But I just don't love you the same
We were moving forward
But now it's over
Tell me why it had to change
And girl it hurts to say this
Cause we're so close
But I just don't love you the same
Ohh
Ohh
Ohh
Yeah
Ohh
Ohh
