

Why Can't We Live Together

Joan Osborne

Tell me why, tell me why, tell me why
Why can't we live together?
Tell me why, tell me why
Why can't we live together?Everybody wants to live together
Why can't we be together?No more war, no more war, no more war
Just a little peace
No more war, no more war
All we want is some peace in this worldEverybody wants to live together
Why can't we be together?No matter, no matter what color
You are still my brother
I said no matter, no matter what color
You are still my brotherEverybody wants to live together
Why can't we be together?Everybody wants to live
Everybody's got to be togetherEverybody wants to live
Everybody's going to be togetherEverybody's got to be together
Everybody wants to be togetherI said no matter, no matter what color
You're still my brother
I said no matter, no matter what color
You're still my brotherEverybody wants to live together
Why can't we be together?Gotta live together
Together
