

# Right Where It Belongs

## Nine Inch Nails

See the animal in his cage that you built  
Are you sure what side you're on?  
Better not look him too closely in the eye  
Are you sure what side of the glass you are on? See the safety of the life you have built  
Everything where it belongs  
Feel the hollowness inside of your heart  
And it's all right where it belongs What if everything around you  
Isn't quite as it seems?  
What if all the world you think you know  
Is an elaborate dream? And if you look at your reflection  
Is that all you want it to be?  
What if you could look right through the cracks  
Would you find yourself, find yourself afraid to see? What if all the world's inside of your head?  
Just creations of your own  
Your devils and your gods, all the living and the dead  
And you're really all alone You can live in this illusion  
You can choose to believe  
You keep looking but you can't find the woods  
While you're hiding in the trees What if everything around you  
Isn't quite as it seems?  
What if all the world you used to know  
Is an elaborate dream? And if you look at your reflection  
Is that all you want it to be?  
What if you could look right through the cracks  
Would you find yourself, find yourself afraid to see?
