

# Perdono

**Michele Zarrillo**

Perdono, eh, perdono, for everything I've done, you have to know  
I'm so sorry, just give me another chance, I'm gonna give you a rosa  
Continue dreaming of our everlastin' friendship  
I still believe in me and you, my friends are all, perdonoLook at the joy I'm feeling with my heartbeat  
I'm trying to find a way to tell you that I'm crazy  
If you don't understand what you mean to me  
I know I hurt you so but honey I'm here to let you knowI love you, so to let you know  
That I don't want live every single day alone  
I wanna see you dancing, smiling next to mePerdono, for everything I've done you have to know  
I'm so sorry, just give me another chance, I'm gonna give you a rosa  
Continue dreaming of our everlasting friendship  
I still believe in me and you, my friends are allI told you I was right but I was wrong  
And now I dedicate to you my song  
'Cause if I live without you I'm not strongI'm your hitting sun and you're my moon  
Select me shine just that you know  
Believe it's you who I adore  
Although your contradictions and defects  
I still want your sweet caressesPerdono, for everythingHere it's cold like at Christmas time  
Here it's darker without your smile  
All my deeper dreams here are dying  
Mars and Venus, here, I'm just cryingTake my glow and give me your moonlight  
What I can I do, I don't know  
Please come back, I swear that it will last  
We'll be dancing flying spacePerdono, mmm, perdono, perdono, sorry rosa  
Friendship, perdono, sorry
