

Too Much (Demo)

Pepper

How many times will they do it there taking what's mine

And they tell me that I blew it.

What can you do, who me, yes you.

When bitches get scandeless and full of voodoo.

Catching my breath is the term I use when the world gives up on me.

Can you love or not? The truth finds all of us eventually.I don't mind taking lives I find.

They all shine in my pocket at night.

You wonder why your always alone.

You never fit in you never could find a home,

And I don't need to second guess why,

Your eaten by the anger and it makes it so hard to[Chorus]

Love to love to love ya, oh ohAnd please don't let me go,

And please don't tell me no (who me yes you)
