

# Roses On My Grave

## Papa Roach

It feels like I'm looking at life  
Through a telescope because I'm so high  
And the ground never seemed so far away  
Truth shall be told one day  
I'll be underground one day I've got a woman that'll put roses on my grave  
I've got a woman that'll put roses on my grave  
Roses on my grave Feels like I'm looking at life  
Through a telescope because I'm so high  
And the ground never seemed so far away  
Truth shall be told one day  
I'll be underground one day I've got a woman that'll put roses on my grave  
I've got a woman that'll put roses on my grave  
I've got a woman that'll put roses on my grave  
I've got a woman that'll put roses on my grave  
Roses on my grave Don't forget me  
Don't forget me  
Please forgive me  
Don't forget me It's my redemption, time for redemption  
Time for redemption, it's my redemption  
It's my redemption, time for redemption  
Time for redemption I'll see you on the other side  
I'm waiting on the other side  
I'll see you on the other side  
I'm waiting on the other side
