Controlling my feelings far too long
Controlling my feelings far too long
Controlling my feelings far too long
Controlling my feelings far too long
Forcing our darkest souls to unfold
Forcing our darkest souls to unfold
And pushing us into self destruction
And pushing us into self destruction They make me
Make me dream your dreams
They make me
Make me scream your screams Trying to please you far too long
Trying to please you far too long
Visions of greed you wallow
Visions of greed you wallow
Visions of greed you wallow
Visions of greed you wallow They make me
Make me dream your dreams
They make me
Make me scream your screams Controlling my feelings far too long
Controlling my feelings far too long
Forcing our darkest souls to unfold
Forcing our darkest souls to unfold
And pushing us into self destruction
And pushing us into self destruction They make me
Make me dream your dreams
They make me
Make me scream your screams
