Hit Me With Your Light

Ryan Cabrera

Hit me with your light, I'm lost without Your help
Me find the right way out, I miss the way it was
Can anybody hear me, crying out for love?
Me like a newborn baby, I can only dream
Hit me with your light, will You catch me if I fall?
I would give my life, if it meant anything at all
Lord help me carry on
Will You be there when I'm gone?
So come escape the night, I'm stuck inside this moment
It's all that keeps me goin' callin' out for truth
I battle with the times we fight to find each other
Afraid we might discover who we really are
Hit me with your light, will You catch me if I fall?
I would give my life, if it meant anything at all
Lord help me carry on
Will You be there when I'm gone? I'm gone
Lord where You gonna be when I'm gone? I'm gone I'm gone
Lord, Hit me with your light, will You catch me if I fall?
I would give my life, yeah if it meant anything at all
Lord help me carry on
Will You be there when I'm gone?
