

Love Is War

Hillsong United

In Your justice and Your mercy
Heaven walked the broken road
Here to fight this sinner's battle
Here to make my fall your own
Turn my eyes to see your face

As all my fear surrender
Hold my heart within this grace
Where burden turns to wonder

I will fight to follow

I will fight for love

To throw my life forever

Into the triumph of the Son

Let Your love be my companion

In the war against my pride

Long to break all vain obsession

Till You're all that I desire

Turn my eyes to see your face

As all my fear surrender

Hold my heart within this grace

Where burden turns to wonder

I will fight to follow

I will fight for love

To throw my life forever

Into the triumph of the Son

And I know Your love has won it all

You took the fall to embrace my sorrows

I know You took the fight

You came and died but the grave was borrowed

I know You stood again

So I can stand with a life to follow

In the light of Your Name

Turn my eyes to see your face

As all my fear surrender

Hold my heart within this grace

Where burden turns to wonder

I will fight to follow

I will fight for love

To throw my life forever

Into the triumph of the Son
And I know Your love has won it all
You took the fall to embrace my sorrows
I know You took the fight
You came and died but the grave was borrowed
I know You stood again
So I can stand with a life to follow
In the light of Your Name
Your love has won it all
You took the fall to embrace my sorrows
I know You took the fight
You came and died but the grave was borrowed
I know You stood again
So I can stand with a life to follow
In the light of Your Name
