

# One World (Not Three)

## The Police

One world is enough  
For all of us  
One world is enough  
For all of us

It's a subject we rarely mention  
But when we do we have this little invention  
By pretending they're a different world from me  
I show my responsibility

One world is enough  
For all of us  
One world is enough  
For all of us

The third world breathes our air tomorrow  
We live on the time we borrow  
In our world there's no time for sorrow  
In their world there is no tomorrow

One world is enough  
For all of us  
One world is enough  
For all of us

Lines are drawn upon the world  
Before we get our flags unfurled  
Whichever one we pick  
It's just a self deluding trick

One world is enough  
For all of us  
One world is enough  
For all of us

I don't want to bring a sour note  
Remember this before you vote  
We can all sink or we all float  
'Cause we're all in the same big boat

One world is enough  
For all of us  
One world is enough  
For all of us

One world is enough  
For all of us  
One world is enough  
For all of us

One world is enough  
For all of us

It may seem a million miles away  
But it gets a little closer everyday  
It may seem a million miles away  
But it gets a little closer everyday  
It may seem a million miles away  
But it gets a little closer everyday

One world  
One world  
One world  
One world

One world  
One world  
One world

One world  
One world  
One world  
One world  
One world  
One world

One world  
One world  
One world  
One world

One world  
One world  
One world  
One world
