

# High Your Love

Donovan

All for the love of leaving am I  
All for the love of grieving am I  
Looking for you in the longing of life  
When all along you were here by my side  
It's a high, it's a high your love  
Far in the future or in the past  
I was a drifting bound to the mast  
Searching for you on the ocean of loss  
And all along no ocean to cross  
It's a high, it's a high your love  
All on the island she danced  
Sleep of forgetfulness entranced  
Gazing on new some distance star  
Om Shri Sai Baba, so near, so far  
It's a high, it's a high your love  
All for the love of grieving am I  
All for the love of leaving am I  
Looking for you in the longing of life  
When all along you were here by my side  
It's a high, it's a high your love
