

# Into The Groove (Sticky & Sweet Studio Version)

## Madonna

And you can dance  
For inspiration  
Come on  
I'm waitingGet into the groove  
Boy you've got to prove  
Your love to me, yeah  
Get up on your feet, yeah  
Step to the beat  
Boy what will it beMusic can be such a revelation  
Dancing around you feel the sweet sensation  
We might be lovers if the rhythm's right  
I hope this feeling never ends tonightOnly when I'm dancing can I feel this free  
At night I lock the doors, where no one else can see  
I'm tired of dancing here all by myself  
Tonight I want to dance with someone elseGet into the groove  
Boy you've got to prove  
Your love to me, yeah  
Get up on your feet, yeah  
Step to the beat  
Boy what will it beGonna get to know you in a special way  
This doesn't happen to me every day  
Don't try to hide it love wears no disguise  
I see the fire burning in your eyesOnly when I'm dancing can I feel this free  
At night I lock the doors, where no one else can see  
I'm tired of dancing here all by myself  
Tonight I want to dance with someone elseGet into the groove  
Boy you've got to prove  
Your love to me, yeah  
Get up on your feet, yeah  
Step to the beat  
Boy what will it beLive out your fantasy here with me  
Just let the music set you free  
Touch my body, and move in time  
Now I now you're mineYou've got toGet into the groove  
Boy you've got to prove  
Your love to me, yeah  
Get up on your feet, yeah  
Step to the beat  
Boy what will it beOnly when I'm dancing can I feel this free

At night I lock the doors, where no one else can see  
I'm tired of dancing here all by myself  
Tonight I want to dance with someone elseLive out your fantasy here with me  
Just let the music set you free  
Touch my body, and move in time  
Now I now you're mineNow I know you're mine, now I know you're mine  
Now I know you're mine, now I know you're mine  
You've got toGet into the groove  
Boy you've got to prove  
Your love to me, yeah  
Get up on your feet, yeah  
Step to the beat  
Boy what will it be
