

Fall Into the Sky

[Zedd](#)

This feeling is heavy
Makes my body ache and I'm ready
To fall into the sky
I see now the reason why This feeling is heavy
Makes my body ache and I'm ready
To fall into the sky
I see now the reason why My heart is heavy
Takes me to a place I can't breathe
Only then I know why I see
The warning sign This feeling is heavy
Makes my body ache and I'm ready
To fall into the sky
I see now the reason why This feeling is heavy
Makes my body ache and I'm ready
To fall into the sky
I see now the reason why My heart is heavy
Takes me to a place I can't breathe
Only then I know why I see
The warning sign
