

Like A Pimp (remix)

Three 6 Mafia

Gator boots and the suits is the clothes

Like a pimp

Keep the money not folded in a row

Like a pimp

When I see you, bitch, you better have my dough

Like a pimp

Reach back

Like a pimp

Slap the hoes

Gator boots and the suits is the clothes

Like a pimp

Keep the money not folded in a row

Like a pimp

When I see you, bitch, you better have my dough

Like a pimp

Reach back

Like a pimp

Slap the hoe

Now I ain't Don Juan wit' the magic wand wand

But I can break a bitch for the cheese and the funds

I don't have to use a gun, even make the hoe cum

If a nigga go to jail then the bitch make fun

While you shakin' that ass in the shake junt junt

I be sittin' in the back rollin' big blunt blunt

Let me know when you off to collect my money

If a nigga cant get it then a nigga will harm

'Cuz playas like me don't think nothin' funny

Sure

Bitch better have my mothafuckin' money

Sure

Black eyes and bruisin' up her face I'd have done it

Sure

To let her know these bonafide pimps who run it

Sure

She make a g a night but she told me 200

Sure

But thats what I get fuckin wit' a snowbunny

Sure

I told her like this I aint the nigga you be callin'

Sure

Police found her body that very next mornin'

Gator boots and the suits is the clothes

Like a pimp

Keep the money not folded in a row

Like a pimp

When I see you, bitch, you better have my dough

Like a pimp

Reach back

Like a pimp

Slap the hoe

Gator boots and the suits is the clothes

Like a pimp

Keep the money not folded in a row

Like a pimp

When I see you, bitch, you better have my dough

Like a pimp

Reach back

Like a pimp

Slap the hoe

Smokin' on the dro, young J.R. Erwin

Pimpin' for my paper and I'm lookin' for the chewin'

Bitch I got to do what the fuck I got to do

Sit and pop pills smoke good and bang screwed

Fuckin' pussy niggas actin' all brand new

When they get some money that's what fuck boys do

I ride in the side, get high in the side

Grip on the grain and get plenty good mine

From the dick suckin' hoes wi't a mouth 'fulla gold

She playin' wit' her nose, but she suck a mean pole

I can't even lie, I like the ghetto ass bitch

That's down for her daddy, ain't scared to break a trick

A yellin' ass switchin' fast suckin' while I'm pressin' the gas

In the 6 breakin' bricks ballin' in the fuckin' mix

Pimp C bitch, you cant act like you don't know

Get down on ya knees like a top notch hoe

Gator boots and the suits is the clothes

Like a pimp

Keep the money not folded, in a row

Like a pimp

When I see you, bitch, you better have my dough

Like a pimp

Reach back

Like a pimp

Slap the hoe

I like to kiss out way down movin' tongue with the head
Kinda have a young nigga sprung out in the bed
Kinda make a mo'arfucker's toes curl to his leg
And I'll tell any mothafuckin' just what she did
Playa can you dig as she'll stroke the esophagus
She can be a stick or big ass hypopotamous
Ain't no fuss 'cuz her mouth's open and the dick's in
Project Pet came to get the cap then I'm in again
See I'mma pimp player, hoe layer, money makin'
Bitch breaker, purse taker, find me workin' lika' navigator
Drop the slut on the corner with nothin' but baby wipes
Keep that pussy clean and I'mma see you later on tonight
'Cuz first I went and got the hoe, then I start to work the hoe
Off the whammy, got a Grammy, just the way she brought me dough
Then she went and bought some more, along with a block of yo
Keep your boy drunk blunted and some drink waitin' at the door
Gator boots and the suits is the clothes
Like a pimp
Keep the money not folded, in a row
Like a pimp
When I see you, bitch, you better have my dough
Like a pimp
Reach back
Like a pimp
Slap the hoe
Gator boots and the suits is the clothes
Like a pimp
Keep the money not folded, in a row
Like a pimp
When I see you, bitch, you better have my dough
Like a pimp
Reach back
Like a pimp
Slap the hoe
Reach back, reach back, reach back
Reach back, reach back
Like a pimp
Slap the hoe
Reach back, reach back, reach back
Reach back, reach back
Like a pimp
Slap the hoe
