I don't know if I'll make it back home
I'm gonna stay down down
I'm at the bottom of the sea
WhoahaI'm at the bottom of the ocean
I don't know if I'll make it back home
I'm gonna stay down down
Down down
I'm at the bottom of ...I'm at the bottom of the ocean
I don't know if I'll make it back home
