The Way She Loves Me

James Deem

(Oooh)
Let me tell you
About the way she loved me
Ooh, I want the world to know
I'm crazy about the way she loved me
Ooh, I'm proud to let it show
Yeah, yeah, yeah
Yeah, yeah
I'll have this feeling
Till the day that I die
When I hear my baby calling
A simple motion, a look in her eyes
And I'm helplessly falling
I'd give all of somebody else
For any piece of her heart that's left
She knows me better than I know myself
Let me tell you
About the way she loved me
Ooh, want the world to know
I'm crazy about the way she loved me
Ooh, I'm proud to let it show
Yeah, yeah, yeah
Uh, huh
I came close to letting this train pass me by
Just like a fool, second guessing
I could've spent my life wondering why
I didn't cherish the blessing
But I know, she'd come my way
Lonely nights would have been okay
I have her promise that she's gonna stay
Let me tell you
About the way she loved me
Ooh, want the world to know
I'm crazy about the way she loved me
Ooh, proud to let it show

Yeah, yeah, yeah
Uh, huh
Ohh, nobody else could do me so right

A breath of Heaven in my darkest night
I'm gonna hold on with all of my might
Let me tell you
About the way she loved me
Ooh, want the world to know
I'm crazy about the way she loved me
Ooh, proud to let it show
Let me tell you
About the way she loved me
Ooh, want the world to know
I'm crazy about the way she loved me
Ooh, proud to let it show
Yeah, yeah
Let me tell you
About the way she loved me
(My baby, yeah)
Ooh, want the world to know
(Yeah)
I'm crazy about the way she loved me
(Know she love me)
(Ooh, proud to let it show)
Yeah, yeah
Let me tell you
About the way she loved me
(My baby, yeah)
Ooh, want the world to know
(Yeah)
I'm crazy about the way she loved me
Ooh, proud to let it show
Yeah, yeah, yeah
