I Run

Harmony

I RunI'm loosing faith again
When I see what I have done
Into the fire I go
I'm loosing faith in all
Cause my creed just made me fallAcross the sea I'll search
And down below I'll go
Awaken I'm shiveringI run from all pain
I run from all sorrow
For me to bear
Surrender in will
Oh please breathe me in
I fall in your hands again
But I fear where I have been
Out of the ashes I go
Reach deeper into me
Where it burns, and the bleeding won't stopAcross the sea I'll search
And down below I'll go
Awaken I'm shiveringI run from all pain
I run from all sorrow
For me to bear
Surrender in will
Oh please breathe me inPlease breathe me in
Help me feel alive
Please breathe me in
Awaken I'm shivering
I run from all pain
I run from all sorrow
For me to bear
Surrender in will
Oh please breath me inI run from all pain
I run from all sorrow
For me to bear
Surrender in will
Oh please breathe me inI run from all pain
I run from all sorrow
For me to bear
Surrender in will
Oh please breathe me in.
