

I Will Follow

Fear Factory

I was on the outside when you said
You said you needed me
I was looking at myself
I was blind, I could not see
A boy tries hard to be a man
His mother takes him by his hand
If he stops to think he starts to cry
Oh, why?

If you walk away, walk away
I walk away, walk away, I will follow
If you walk away, walk away
I walk away, walk away, I will follow
I was on the inside
When they pulled the four walls down
I was looking through the window
I was lost, I am found

Walk away, walk away
I walk away, walk away, I will follow
If you walk away, walk away
I walk away, walk away, I will follow
I will
Your eyes make a circle
I see you when I go in there
Your eyes, your eyes, your eyes
If you walk away, walk away
I walk away, walk away, I will follow
If you walk away, walk away
I walk away, walk away, I will follow
I will follow, I will follow
I will follow, I will, I will follow
