

Life in black

Mors Principium Est

[lyrics by Ville Viljanen and Jori Haukio]Dark father redreamer of sins

help me bleed till I die
Hide me from this rising daylight
And pless my nightly life
Touch the flames of this desire
And see the wind arise
The everlasting love has ended
As a shade of myselfWill you come to me
Will you cry for me
Will you bleed for me
Will you join to me
Just follow me
and forever be
Life in blackKing reaper the giver of hope
Let me pass you one more time
I am the shadow in silence
I travel with the night
I used to have it all
Now I have nothing
I don't want their help
I need them anyway
