

# Obsession (Radio Edit)

## The Union

Dark sensation, a straight fixation,  
Some might call it love,  
It's so persistent, and so insistent,  
That I just can't switch off. I didn't want it this way,  
But all results just slipped away,  
I'm cracking, breaking down,  
Tortured, tied and bound. Got my finger right here on the trigger,  
Of a jealous gun,  
I can't stand to see you with another,  
You're an obsession,  
Na na na na na na,  
Na na na,  
Na na na na na.  
So compelling and it's overwhelming,  
That it's so hard to believe,  
It crept up slowly, your choke-hold on me,  
Now I feel like I can't breathe. I'm burning, I'm on fire,  
I'm a prisoner of desire,  
You're freezing, so removed,  
I'm battered and bruised. Got my finger right here on the trigger,  
Of a jealous gun,  
I can't stand to see you with another,  
You're an obsession,  
Na na na na na na,  
Na na na,  
Na na na na na. You're my obsession.  
Dark sensation, a straight fixation,  
Some might call it love,  
It's so persistent, and so insistent,  
That I just can't switch off. I didn't want it this way,  
But all results just slipped away,  
I'm cracking, breaking down,  
Tortured, tied and bound. Got my finger right here on the trigger,  
Of a jealous gun,  
I can't stand to see you with another,  
You're an obsession,  
Na na na na na na,  
Na na na,  
Na na na na na. You're my obsession.
