Time After Time

Quietdrive

Lying in my bed, I hear the clock tick and think of you
Caught up in circles, confusion is nothing new
You say, "Go slow", I fall behind
The second hand unwindsIf you're lost, you can look and you will find me
Time after time
If you fall, I will catch you, I'll be waiting
Time after time, time after time, time after timeSometimes you picture me, I'm walking too far ahead
You're calling to me, I can't hear what you've said
You say, "Go slow", I fall behind
The second hand unwindsIf you're lost, you can look and you will find me
Time after time
If you fall, I will catch you, I'll be waiting
Time after timeAfter my picture fades, our darkness has turned to gray
Watching through windows, you're wondering if I'm okay
And you say, "Go slow", I fall behind
The drum beats out of timeIf you're lost, you can look and you will find me
Time after time
If you fall I will catch you, I'll be waiting
Time after timeIf you're lost, you can look and you will find me
Time after time
If you fall I will catch you, I'll be waiting
Time after time, time after time, time after time
