

Cupcakes Taste Like Violence

Jeffree Star

you cant stop,cant, you cant stop,
you cant stop, just cant stop.

My hair looks like cotton candy
My heart is made of sequins
Blow pops an meat cleavers
Gimmie me something sweet

Gimmie somethin, gimmie something, gimmie
something sweet,(sweet) sweet, (sweet)
sweet, sweet.

My skin looks like vanilla
My mouth is made of sugar
Syringes an cupcakes
Give me something sweet
I'm good enough to eat / oh yeaah..

(Chorus x2)

You can't stop... staring at me
You can't stop... I'm good enough to eat
You can't stop... sticky sweet..
You can't stop...

(stop...)

(music plays)

My makeup looks like rainbow sherbet
My brain feels like hard candy
Cashew's and sundaes
Gimmie me something sweet...

Gimmie somethin, gimmie something, gimmie
something sweet,(sweet) sweet, (sweet)
sweet, (sweet)

Lipstick like pink bubble gum
Heart like a snow cone
Jawbreakers an morphine

Gimmie me something sweet
I'm good enough to eat / oh yeaah..

(Chorus x2)

You can't stop... staring at me
You can't stop... I'm good enough to eat
You can't stop... sticky sweet..
You can't stop...

(STOP...)

(Chorus x4)

Sprinkles everywhere
Candy hearts and bruises
31 flavors
Which one are you choosin'?
