Orange Goblin

I'll fly this sucker, baby
I've got seven stars that guide my fortune
I'll take us far away
To the planet I built for you on a mountain
Yeah, yeah, yeah, yeah, yeah, yeahNo need to breathe again
I've got a nuclear heart and it's overloading
I'll never drink again
Just like I told you blue snow would fall, I'm joking
Yeah, yeah, yeah, yeah, yeah, yeahI've got one last chance to try and ease my pain
But I'm sinking to the bottom of the bottle again
'Cos I'm all dried up and it's hard to choose
If I'm burning out on fairytales or boozeI've got one last chance to try and ease my pain
But I'm sinking to the bottom of the bottle again
'Cos I'm all dried up and it's hard to choose
If I'm burning out on fairytales or booze
