

Kiss Kiss

Yeah Yeah Yeahs

Green hours
Blue rope
Hot wax for hearts are cold
We're three we're three in the dark tonight
And baby my snake is a shark tonight He's got youth on the side
He's got small purple eyes
Now he's as straight as a bow
When there's nobody home Everywhere kiss me
Everywhere kids speak
No catch no beat
Everywhere kiss me
Everywhere kiss me Everywhere kiss me
Everywhere kids meet
No catch no beat
Everywhere kiss
Everywhere kiss kiss me I may like doing (?) high
I drop my music loud outside
I drank until the water's dry
It's all okay till someone dies
I shoot my name up every vain
You can't get hurt, you can't complain
No feet, no hands, no tale, no lies
He's got youth on his side Everywhere kiss me
Everywhere kids speak
No catch no beat
Everywhere kiss me
Everywhere kiss me Everywhere kiss me
Everywhere kids meet
No catch no beat
Everywhere kiss
Everywhere kiss kiss me We're three, we're three, we're three, we're three
We're three, we're three in the dark tonight and baby my snake is a shark tonight
