# Guilty

## Kosheen

Once upon a time
A spider ate a fly
She almost lost her web
Whilst biting off his headI'm not guilty anymore
(You are, you are)
Though it brought me to the ground
(You are, you are)
I'm not angry anymore
(You are, you are)
Never wanted to be foundI've been feeling mighty weak
Since I don't get any sleep
I almost lost my balance
Thank God I found my feetI'm not guilty anymore
(You are, you are)
Though it brought me to the ground
(You are, you are)
I'm not angry any more
(You are, you are)
Never wanted to be foundThe days don't end for me
Once upon a time
A spider ate a fly
She almost lost her way
Whilst biting off his headI'm not guilty anymore
(You are, you are)
Though it brought me to the ground
(You are, you are)
I'm not angry any more
(You are, you are)
Never wanted to be found
