Go With You

Rockin' Ramrods

I don't know how
How we're gonna get out
But I'm not scared
Of getting point to point
And I won't care
Leaving everyone behind
'Cause I've got them all
Leaving with me in my mind
You know I can't do everything
That is best for us
Leaving our home, makes us grow
Then I'll go with you

Then I'll go with you
Then I'll go with you
Then I'll go with you
You know I'll be alright
With whatever it is
Our choices aren't too bad
It's the distance
I know I push it over
And I'm sorry for that
Don't mean to make this hurt
When we haven't started yet
