

My Heart Beats Like a Drum

ATC

I close my eyes close the door
I won't worry anymore
I've been waiting for you
every day and every night
Cut the light let it flee
I don't want to be afraid
I've been waiting for you Tonight it is right
Stars shine bright
I just really want to be with you
I celebrate pray for the day
When all my wishes will be coming true My heart beats like a drum like a drum
(dam dam dam)
And my feet step the beat like a drum
(dam dam dam)
My heart beats like a drum like a drum
(dam dam dam)
And my feet step the beat like a drum
(dam dam dam) I think of you every day
I've been waiting for a call
Just the sound of your voice
Anytime and anyway
Dream of you since that day
When I saw you the first time v at the Hardrock Caf   Tonight it is right
Stars shine bright
I just really want to be with you
I celebrate pray for the day
When all my wishes will be coming true My heart beats like a drum like a drum
(dam dam dam)
And my feet step the beat like a drum
(dam dam dam)
My heart beats like a drum like a drum
(dam dam dam)
And my feet step the beat like a drum
(dam dam dam) I close my eyes close the door
I won't worry anymore
I've been waiting for you My heart beats like a drum like a drum
(dam dam dam)
And my feet step the beat like a drum

(dam dam dam)
