

# Iron

## Dim Den

Left in the darkness, here on your own  
Woke up a memory, feeling the pain  
You cannot deny it, there's nothing to say  
It's all that you need to find the way  
Oh damn, the war is coming  
Oh damn, you feel you want it  
Oh damn, just bring it on today  
You can't live without the fire  
It's the heat that makes you strong  
'Cause you're born to live  
And fight it all the way  
You can hide what lies inside you  
It's the only thing you know  
You're embracing that, never walk away  
Don't walk away, don't walk away  
Don't walk away, don't walk away  
Raised in this madness, you're on your own  
It made you fearless, nothing to lose  
Dreams are a drug here, they get in your way  
That's what you need to fight day by day  
Oh damn, the war is coming  
Oh damn, you feel you want it  
Oh damn, just bring it on today  
You can't live without the fire  
It's the heat that makes you strong  
'Cause you're born to live  
And fight it all the way  
You can hide what lies inside you  
It's the only thing you know  
You're embracing that, never walk away  
Don't walk away  
You need not to fear us  
Unless you're a dark heart  
A vile one, who preys on the innocent  
I promise  
You can't hide forever even into the darkness  
For we'll hunt you down like the animals you are  
And pull you in the very bowels of hell  
Oh damn, the war is coming

Oh damn, you feel you want it  
Oh damn, just bring it on today  
You can't live without the fire  
It's the heat that makes you strong  
'Cause you're born to live  
And fight it all the way  
You can hide what lies inside you  
It's the only thing you know  
You're embracing that, never walk away  
Don't walk away, don't walk away  
Don't walk away, don't walk away
