

You And Me (Ft. Chris Boomer)

Soldiers of Jah Army

It's you and me
and it's always been
and how i feel about you,
there's no end.
But you made me
chase you around.
And then you need me again
you fall down, down.
And when this dance is done
you and me are stil the only ones.
Yeah since time begun,
and i'm still with you
even when you're gone.
so i start it, and you stop it
so i want it
knowing that you're walking alway
Its you and me and were back again..
Don't introduce me to all your "new friends" man..
why do you make me chase you around?
why do your words make me not make a sound..?
