

# Bluer Words Were Never Spoken

## Steep Canyon Rangers

The last train's leaving  
Blind Willie's there  
Playing the blues and going nowhere  
He drinks too much  
Could've been great

It's too late baby now it's too late  
Bluer words were never spoken

Promises forever broken  
Trains coming through  
And the whistle cries for you  
Bluer words were never spoken  
You give Willie a brand new ten  
You always saw the best in him  
Baby please don't go  
I swear I'll change  
You say you're sorry but I'm too late  
Rain's beatin' down  
Everybody's gone  
Willie still singing the same sad song  
I say Willie give it a break  
And he just says it won't stop the rain
