

Let's Work Together

Canned Heat

Together we'll stand, divided we'll fall
Come on now people let's get on the ball
And work together, come on, come on
Let's work together, now, now people Because together we will stand
Every boy, every girl and a man People, when things go wrong as they sometimes will
And the road you travel it stays all uphill
Let's work together, come on, come on
Let's work together You know together we will stand
Every boy, girl, woman and a man Oh well now, two or three minutes, two or three hours
What does it matter now in this life of ours
Let's work together, come on, come on
Let's work together, now, now people Because together we will stand
Every boy, every woman and a man Come on now
Come on, let's work together now Well now, make someone happy, make someone smile
Let's all work together and make life worthwhile
Let's work together, come on, come on
Let's work together, now, now people Because together we will stand
Every boy, girl, woman and man Well now together we will stand
Every boy, girl, woman and a man, oh yeah
