Iridescent (Cover by gavinmikhail)

Linkin Park

When you were standing in the wake of devastation
When you were waiting on the edge of the unknown
And with the cataclysm raining down, insides crying save me now
You were there impossibly alone.Do you feel cold and lost in desperation
You build up hope but failure's all you've known
Remember all the sadness and frustration
And let it go, let it go.And in the burst of light that blinded every angel
As if the sky had blown the heavens into stars
You felt the gravity of temper grace falling into empty space
No one there to catch you in their armsDo you feel cold and lost in desperation
You build up hope but failure's all you've known
Remember all the sadness and frustration
And let it go, let it go.Do you feel cold and lost in desperation
You build up hope but failure's all you've known
Remember all the sadness and frustration
And let it go,Let it go
Let it go
Let it go
Let it goDo you feel cold and lost in desperation
You build up hope but failure's all you've known
Remember all the sadness and frustration
And let it go, let it go.
