All Things Are Possible

Darlene Zschech

Almighty God, my Redeemer
My hiding place, my safe refuge
No other name like Jesus
No power can stand against YouMy feet are planted on this rock
And I will not be shaken
My hope it comes from You alone
My Lord and my salvationYour praise is always on my lips
Your Word is living in my heart
And I will praise You with a new song
My soul will bless You, LordYou fill my life with greater joy
As I delight myself in You
And I will praise You with a new song
My soul will bless You, LordMy feet are planted on this rock
And I will not be shaken
My hope it comes from You alone
My Lord and my salvationYour praise is always on my lips
Your Word is living in my heart
And I will praise You with a new song
My soul will be bless You LordYou fill my life with greater joy
As I delight myself in You
And I will praise You with a new song
My soul will bless You, LordWhen I am weak
You make me strong
When I'm poor, I know I'm rich
For in the power of your nameAll things are possible
All things are possible
All things are possible
All things are possibleYour praise is always on my lips
Your Word is living in my heart
And I will praise You with a new song
My soul will be bless You, LordYou fill my life with greater joy
As I delight myself in You
And I will praise You with a new song
My soul will bless You, LordWhen I am weak
You make me strong
When I'm poor, I know I'm rich
For in the power of your nameAll things are possible
All things are possible
All things are possible

All things are possibleAll things are possible
All things are possible
All things are possible
All things are possible
