U Started it

Two Triple-O

It?s all your fault but I?m gonna try
I?m feelin' as bad about me as you are
You know I don?t wanna be here
I?m tryin' to work out where these feelings are from
I don?t know why I?m doin' this either
I know, you?re right, you win
I don?t want any part of it
You know what I?m like, I give in
Even though you started it
Last time I checked, had it under control
But now everything is unclear
Oh, help me correct it, I know that I?m wrong
I don?t know why I?m doin' this either
But I know, you?re right, you win
I don?t want any part of it
You know what I?m like, I give in
Even though you started it
Oh well baby, you were right
Oh no no no, hush hush, you were right
Forget about it baby, you were right
Yeah, we argue sometimes but please not tonight, tonight
Hey, you gonna be okay?
Don?t worry about it, sing
I know, you?re right and you win
I don?t want any part of it
You know what I?m like, I give in
Even though you started it
I know, you?re right and you win
I don?t want any part of it
You know what I?m like, I give in
Even though you started it
Yeah, we argue sometimes but not tonight
Tonight, tonight, tonight, tonight
Tonight, tonight, tonight, tonight
