

# Take Me Away from Here

**Tim McGraw**

My body burns like theres a desert deep in me  
A thirsty soul so unsatisfied  
But there you are like a river to the sea  
The one chance I have to change my lifeDarlin', take me away from here  
Make it seem like we're a million miles away  
Another time, another placeMake me a different man  
Move me farther than Ive ever been before  
Show me that theres somethin' moreSometimes I feel like Im trapped inside myself  
Spinning wheels up and down, round and round  
Going nowhere just like everybody else  
With no touch, no sight, no soundBut you could take me away from here  
Make it seem like were a million miles away  
Another time, another placeMake me a different man  
Move me farther than Ive ever been before  
Show me that theres somethin' moreGive me hopes and dreams to fill my head  
Push my heart so I can fly againTake me away from here  
Make it seem like were a million miles away  
Another time, another placeMake me a different man  
Move me farther than Ive ever been before  
Show me that theres somethin' moreTake me away from here  
Take me away from here  
Take me away from here
