

Saturday Night

Eagles

Ya

One, two, three

Two, two, three Seems like a dream now, it was so long ago

The moon burned so bright and the time went so slow

And I swore that I loved her and gave her a ring

The bluebird was high on the wing Whatever happened to Saturday night

Findin' a sweetheart and holdin' her tight?

She said, "Tell me, oh, tell me, was I all right?"

Whatever happened to Saturday night? The years brought the railroad it ran by my door

Now there's birds on the windows and dust on the floor

And she passes the time at another man's side

And I pass the time with my pride What a tangled web we weave?

Go 'round with circumstance

Someone show me how to tell

The dancer from the dance Whatever happened to Saturday night

Choosin' a friend and loosin' a fight?

She said, "Tell me, oh, tell me, are you all right?"

Whatever happened to Saturday night?

Whatever happened to Saturday night?
