Sing Me Sweetly

The Districts

gave your body to the church
took your clothes and left you naked
tore a war bus down somebody's arm
it would die alone and taintedwe came as nothing
we're bare back children
fade to dust ...
with our thoughtwent to the bank on the core last hour
to cash in this lousy life i bought
sing me sweetly swing me deeply
walk through rain as this cold world falls
sing me sweetly swing me deeply
walk through rain as this cold world falls
sing me sweetly swing me deeply
where's this world like walking through the rain
sing me sweetly swing me deeplywind vails and mothers daughters
may i ask you to be alone oh
i just see them shaking oh scared to go on
i don't know when i close my eyes
i don't think i'll have her by my side
when i die i won't be no one here
i'm bound to be someone greater
oh and i swear i come up this mountain
wish she had my hand you can climb with me
sing me sweetly swing me deeply
walk through rain as this cold world falls
sing me sweetly swing me deeply
walk through rain as this cold world falls
sing me sweetly swing me deeply
where's this world like walking through the rain
sing me sweetly swing me deeply
