

# The Real Deal

Scott Dawson

Every single man you meet  
Is here today and gone next week  
They whisper words you long to hear  
And offer you another beer  
They don't care how you really feel  
But baby you're looking at the real deal

You can tell all your friends that this is where the circus ends  
so your broken heart will be healed  
I will love you so complete my kiss will sweep you off your feet  
You can finally stop playing the field  
Cause baby you're looking at the real deal

You've had your share of macho hype  
From the Casanova Don Juan type  
Now you're looking for a gentle man  
To steal your heart and take your hand  
It's time to stop this Ferris wheel  
Cause baby you're looking at  
The real deal
