

Big Mouth

Donots

{CHORUS}

7 days a week 1000 words I shouldn't speak

I got a big, big mouth

A big, big mouth

Nothing that you say really matters anyway

I got a big, big mouth

A big, big mouth{VERSE}

This conversation's going down the drain

And here I go again

I spill my sarcasm all over you

When respect is due

I really don't mean to offend

But I do it every day

My twisted mind gets out of hand

And I scare you all away{CHORUS}

7 days a week 1000 words I shouldn't speak

I got a big, big mouth

A big, big mouth

Nothing that you say really matters anyway

I got a big, big mouth

A big, big mouth

So please don't take it personally

So please don't take it personally{VERSE}

So I keep on talking until I smash it up

You know, I just can't stop

I drive the dagger right into your heart

And tear it all apart

I really don't mean to offend

But I do it every day

My twisted mind gets out of hand

And I wish myself away{CHORUS}

7 days a week 1000 words I shouldn't speak

I got a big, big mouth

A big, big mouth

Nothing that you say really matters anyway

I got a big, big mouth

A big, big mouth

So please don't take it personally

So please don't take it personallyenjoy..... l8rz -Ally-
